Applications accepted until positions are filled

The Todd Naturalist oversees ASWP's Todd Nature Reserve, a low impact reserve located in Sarver, Butler County, Pennsylvania. Experiences include the coordination and facilitation of natural history programs for the visiting public, program planning, development, evaluation, visitor interactions, trail maintenance, and water quality monitoring. May design/conduct research on the reserve.

Applicants should be reliable and self-motivated individuals pursuing/possessing degrees in education, the sciences or related fields with an interest in environmental education, conservation and land preservation.

Travel required. Position non-residential. For more information, visit aswp.org

ASWP's mission is to inspire and educate the people of southwestern PA to be both respectful and responsible stewards of the natural world
